Community Activities

PARENTS TENNIS
Our Social Tennis Competition runs at The Neutral Bay Club on Fridays from 9am to 11am. The competition runs for the duration of school term. Either join for a Term or register to be a weekly reserve. Call Lynn Pavey 0413 382 626 or lmpavey@gmail.com

WALKS on TRACKS
Walks start 8.40am and take approx 1½ to 2 hours followed by a coffee if you are free. Most of our walks are dog friendly.
Next Walk: Wed 1 June: Manly to Curl Curl followed by lunch at Lucrecia’s apartment. Meet first at 4/91 North Stein Manly and bring a plate for lunch. If you are running late, please text Ann Marie Kimber on 0406 691 533

BOOK CLUB
The Book Club had an enjoyable time listening to thought-provoking speakers such as Jane Caro, Rosie Batty, Bob Brown and Jean-Christophe Rufin at the Sydney Writers’ Festival last week. We continue our non-fiction theme with the book Outliers by Malcolm Gladwell at our next meeting on Thursday 16 June. Please send in book suggestions for Term 3 before the next meeting. Samantha at sl12@bigpond.net.au

Calling all Jam-makers!
In 1980, at the very first Redlands Spring Fair, my mother Barbara Todd along with Diane Watkins, Janine O’Rouke and Meryl Sutherland held the first Redlands Jam Stall. Now that my son is a student at Redlands, I thought it appropriate to replicate the work that they did.
We are seeking donations of homemade jams, chutneys, preserves, pickles and alike. There will also be a jam competition with fabulous prizes to be won. Jacqui Holt jacquiholt@icloud.com

SNAPSHOT: Redlands ICT Programs
Enhancing Learning and Teaching – Learning with ICT

During weekly classroom sessions with Shireen Winrow, the Kindergarten students have been able to create their own book about a chosen Australian animal to accompany our Unit of Inquiry on the Australian Bush using the app Book Creator.

The students are working to create a series of pages to share information about Australian Animals. This includes describing their animal’s features, identifying habitat and diet, plus identifying the threats to the chosen animal.

To accomplish this, the students are inserting pictures, adding text, changing various aspects of the format, recording their voice and positioning objects on the page.

Student BYOD Device Audits

From time to time iSupport staff are requested to audit a student’s device to ensure that they are adhering to the School’s Responsible User Guidelines.

The device audit covers the:

- condition of the device
- type and appropriateness of files stored including images, videos, etc
- the number and type of applications installed
- the user’s device and Redlands Internet history
- appropriate use of the device with a specific focus on learning
- overview of the student’s social media usage (if used on the device)

Feedback as a result of the audit is given to the student and their teacher. In most cases, matters are followed up with parents.

Parents may request an audit of their child’s device at school. It would be appreciated if parents could specify the reason for requesting the audit.

Anti Spam

Some students are being impacted by Spam. There is a great free anti spam download provided by Malware Bytes. It is recommended for all students to download this on their Mac or PC.
The New Learning Hub Appeal was launched in 2014 and to date a total of $1.8 million has been raised, $1.3 million in donations and $500,000 in pledges. 217 plaques have been purchased out of the 350 plaques available. The Legacy Board with named family plaques will be housed in the foyer of the New Learning Hub.

“When parents give, they provide the margin of excellence that allows their school to do most things better.” Nat Follansbee, USA philanthropist

We would like to thank all the families who have generously donated to secure their family plaques and support this exciting development. There is still a chance to have your family and child/ren’s names included on the Legacy Board as this is a great opportunity to have a lasting acknowledgement of your family’s time at Redlands.

Should you wish to secure a plaque in one of the three categories ie. $10,000, $5,000 or $1,000 for your child, please go to http://www.redlands.nsw.edu.au/new-learning-hub-appeal/.

All donations are highly appreciated as tuition fees cover the running costs of the School only and capital works need to be financed by bank loans, reserves and donations. All donations to the Building Fund are tax deductible. Your generous investment in improving our facilities will contribute to enhancing the learning environment for both current and future students. For further information, please contact Dana Casimaty, Director of Development 9968 9858 or dcasimaty@redlands.nsw.edu.au.
This Friday’s Gala Arts needs no introduction and yet again promises to be a night of outstanding talent and entertainment. Only a few tickets left – be quick before they all sell out.

On Monday 30 May we look forward to the Secondary School Athletics Carnival at Homebush. The Sports Department has communicated with students and parents regarding this event and I am very much looking forward to a very enjoyable day. As mentioned in previous weeks’ editions of Note Day, next Tuesday 31 May we welcome back Paul Dillon, who will be talking to our Yrs 10, 11 and 12 students on a range of issues surrounding Alcohol and Drugs education, Schoolies, responsible decision making and others – all very much a part of our Pastoral Care program at Redlands. In the evening he will be doing a presentation to parents on “Adolescents and Risk-Taking”. A reminder that bookings for this significant event are required and the deadline for this is 5pm Friday 27 May.

Next Wednesday (1 June) is the Yr 10 Parent/Teacher Night, details of which have been sent out directly to Yr 10 parents.

On Friday 3 June we will be celebrating Foundation Day, which is the culmination of Heritage Week. Big thanks and appreciation as always to Mrs Margaret Gillezeau, our archivist, who does a fantastic job in putting together amazing background information of the history of Redlands.

On Wednesday 8 June we will be having the Yr 9 into 10 Information Evening (6pm, Redlands Hall) for current Yr 9 students and parents as they make their elective subject choices for Yr 10 2017.

On Friday 17 June we will be hosting the Senior Music Festival at Chatswood Concourse, one of my favourite events of the year.

I look forward to seeing you at any or all of these events, as relevant.

Warm congratulations go to Ms Kristen Privett (Visual Arts), who gave birth to a baby boy last Friday and to Ms Simone Bryant who gave birth to a baby girl on Monday. We await news of Ms Mary-Frances Shaw (History and Yr 12 Advisor) and Ms Lian Mournehis (Dance) who were both due to give birth on Wednesday of this week. We wish all of them well.

I would like to extend a very warm Redlands welcome to Ms Jaimee Kennedy who has commenced duties as Sports Administrator in the Sports Department and whom many parents will have already met. Please give her every assistance as she familiarises herself with the demands of the role.

The Australian Science Olympiad Exams are challenging exams held in Biology, Chemistry, Earth and Environmental Science and Physics. They are the first stage in the Australian Science Olympiad Competition.

Designed to challenge high performing Secondary School Science students, the exams last two hours and are carried out at the School in August. The exams cost $10 (plus GST) per student, with the exception of Earth and Environmental Science, which is free. All students sitting the exams receive a certificate indicating the grade they scored. Students who do exceptionally well are awarded a medal. Approximately 85 top performing students are invited to attend the Australian Science Olympiad Summer School held in January 2017 at the Australian National University.

Students interested in registering for any of the exams should let Mr Gray know as soon as possible.
### SERVICE
**Ms Erin Seaford, Service Coordinator**

Redlands Students Need You!

Could you be a reader/writer/supervisor in an exam?

We need to add to our team of wonderful volunteers who assist Redlands students in Yrs 7-12 in exams and assessments throughout the year. New team members are always needed and we welcome Prep, Junior and Senior School parents, grandparents and friends.

What qualities does a reader/writer/supervisor have?

- You are patient and relaxed – the student will tell you what he or she needs.
- You are reliable and punctual
- You respect confidentiality
- Your handwriting is reasonably legible

You do not need subject specific knowledge as you are simply there to read and/or write what the student dictates, and regulate the time. Can’t spell? No problem – spelling is ignored when there’s a writer. Horrible handwriting? You could be a reader (no writing required) or a supervisor for a small group of two or three students.

It is very satisfying to help a student achieve his or her potential, interesting to see the kind of exams set at the various stages of Secondary school and you will have an opportunity to see a different perspective of Redlands. You will make a difference and our students are very appreciative of the support they are given. Our next information session will be held on the morning of Friday 17 June. If you would be interested in finding out more about helping with exams, please contact Saralie Pincini or on 9968 9854.
Secondary School

YEAR 12
Mr Jon Yuncken, Acting Year Advisor
jyuncken@redlands.nsw.edu.au
(02) 9908 6420

Student Achievements
This week at our Year Assembly I thanked the students for their effort towards their study over the last 16 weeks of school. I have also received several reports of positive leadership and kindness shown towards younger members of the school and also towards the community at large. An example of this is the number of offers of help I received when I asked for volunteers to help escort and serve at the Platinum Girls Lunch. Another example of service to the School was several Yr 12 girls giving up their free periods to act as scribes for younger students completing their examinations. At the assembly the Student Representative Council also gave a presentation on protecting our skin against the sun. This was received warmly and given our extended summery conditions, quite fitting. Ms Salier, Careers Advisor, also gave the students a booklet with the ATARS of all courses at universities and colleges across Australia. Finally, congratulations to all four Senior Open Netball teams who enjoyed impressive victories last weekend. Well done.

Athletics Carnival
A reminder that the Secondary School Athletics Carnival is on 30 May and all students are expected to attend and take part. This is the last carnival that the Yr 12 students will be involved in and a great chance for them to mix and compete with the whole school in a fun and friendly day. As with the rite of passage, Yr 12 have permission to dress up for this event. However, can I stress that outfits must be tasteful and in line with the school's expectations.

Gala Arts
Good luck to all the Yr 12 students involved in this year’s Gala Arts event this Friday. I am very excited at the prospect of seeing the Yr 12 Showcase item. I tried to get some clues from Mr Castelli about the performance but all he said was, and I quote, “it will blow your socks off”. So excited! Good luck to all involved.

YEAR 11
Ms Marita Jansons, Year Advisor
mjansons@redlands.nsw.edu.au
(02) 9968 9819

Achievements
Tiffany Williams competed in the Northern Beaches Eisteddfod recently placing 3rd in 16 Yrs and Under Musical Theatre, 1st in 16 Yrs and Under Classical Vocal Solo and 1st in Junior Classical Vocal Duet. Well done Tiffany on these extraordinary results. Our Peer Support Leaders shone last Friday organising and hosting their first whole School Assembly. The day started with students being greeted upon arrival with live music from Greta Argyropoulos and Zoe Mamo (pictured), followed by an assembly that explored the values of Redlands. Thank you too to Mr Robin Nagy for coordinating this event, Adam McNeil for creating the ‘un-official party remix’, all the great presenters (too many to mention individually), Lachlan Roberts for coordinating the Maori welcome song, Will Cheng and Tom McDonnald for their fantastic Aluminate video, Annie Ryan, Beth O’Sullivan and Margaret Theophonous for their terrific organisation, Berni Croll and Lauren Armstrong for their ideas, energy and guidance and Oscar Hansen (aka DJ Rhino). All leaders are an amazing group of young people.

Best of luck to Georgia Baillie, Mary Davidson, Amy Holiday, Margaret Theophonous, Suze Van Der Tang, Riona Ward and Tiffany Williams who will be competing in the Jazz Vocal Ensemble Eisteddfod on Sunday as part of the Redlands Jazz Ensemble.

Secondary School Athletics Carnival
The Secondary School Athletics Carnival will be held on Monday 30 May at Sydney Olympic Park Athletics Centre (SOPAC), Competition Arena - Edwin Flack Avenue. The Athletics Carnival is a compulsory school day. As the Carnival is held off-site, all parents are required to complete the online permission form via Redlands Pulse (Student Details). All students are to meet at School at 7.15am in their House areas (except 1500m runners who meet earlier at 6.50am at the Military Road entrance to the school.). A Medical Certificate is required if your child cannot attend. Absences need to be emailed to ssabsence@redlands.nsw.edu.au by 9am. Buses will return to school at approximately 4.30pm. Please see letter emailed home from the Sports Department for more information.

Sports ‘Hoodies’
There are a number of hoodies waiting to be collected in the Secondary School Office. If you have ordered one for your child, please have them collect this before the end of Week 5. Students have been reminded at Year Meetings. Hoodies are part of the Sports uniform and not to be worn at school throughout the school day.
**Secondary School**

**Yr 11 Leadership Camp**
This week we had a visit from Mark Stewart from Outdoor Education Group to brief students on Camp options this year. Camp will be taking place in Week 1 of Term 4. Students have been given their Camp Preference forms which allow them to select their first and second choice of Camp lines, along with tent partners. These forms need to be returned by Tuesday 7 June. Camp lines are as follows:

1. Back Country Ski Skills and Telemark Ski Journey (must have previous ski experience)
2. Challenging 3 Night Expedition (physically and mentally challenging)
3. Horse Ride & Night Base Camping (must have previous experience and mentally challenging. Additional cost of $880)
4. Two Night Bushwalk Expedition
5. Bushwalk, Cycle and Canoe Expedition (Duke of Edinburgh Expedition)

Students will be able to talk you through their selected lines and the different options available in more detail. Some lines have limited availability.

**Paul Dillon Drug and Alcohol Awareness**
A reminder that on Tuesday 31 May, Paul Dillon is visiting to speak to Yr 11 students and in the evening he is running a parent presentation from 6.00-7.30pm on the topic “Adolescents and Risk Taking: Why do Teens do the things they do and what can you do about it?” We strongly recommend that you attend this event. Paul is a terrific presenter and has such great research and evidence to share. An email has been sent home from our Head of Secondary School, Mr Hugh King, with booking information. Please refer to Mr King’s email for further information or last week’s Note Day. This is a parent only event. I look forward to seeing you there.

**Yr 10 into Yr 11 Information Evening**
Thank you to parents and students for the great turnout and excellent questions on Wednesday evening. Choosing courses and subjects for next year can be a complex process and students and parents should seek advice from the three speakers from the evening:

- **David Randall** Dean of Studies for HSC enquiries
- **Darren Taylor** Head of IB for IB enquiries
- **Simone Salier** Careers Adviser for University and Careers related enquiries

For any students and parents who did not attend, please ensure that your child brings the three relevant booklets home.

**Sports Achievements**
Well done to the Under 16s who won their Rugby game after a long drought between victories. They defeated All Saints at Bathurst which was noteworthy after a big defeat that they suffered in the previous week.

Well done to James Casey-Brown who reached the quarter finals of the Northern Beaches Regional Surf Titles competing in the Under 19s division.

Hannah Johns deserves commendation for being selected in the ISA Girls Football team. This is a great passion of Hannah’s and she is both a talented and dedicated athlete.

**Student Achievements**

Well done to the eight students - Isabel Binnekamp, Michelle Jordi, Lachlan van der Pluijm, Victor Luong, Lindsay McNeil, Anika Misir, Enzo Prichard-Carniato, Zoe Withington – who participated in the Da Vinci Decathlon hosted at Knox Grammar School last Wednesday. See full report next week.

Congratulations to Matilda Williams who participated with her sister Tiffany (Yr 11) in the Northern Beaches Eisteddfod last weekend and achieved an outstanding set of results in various categories.

All the best to our performers at Gala Arts this Friday! The efforts and dedication which these students invest in their performances are very impressive and they will no doubt receive an abundance of support from their peers during the evening.

**Half Yearly Examination**

Overall the two days allocated to these Half Yearly Examinations went very well and staff were particularly complimentary about the demeanour and approach of Yr 9 students towards their examinations.

**Athletics Carnival**

The Athletics Carnival will be held at Olympic Park Homebush on Monday 30 May. I would like to remind you and your child that this is a compulsory school event. The day presents a great opportunity for students to dress-up and show their House pride, earn House points by participating in a range of track, field and novelty events and to embrace the opportunity to be part of the wider school community. Please could all parents make sure that online permissions have been granted for all students - see Redlands Pulse/Student Details button. For more details of the event, please refer to the email sent by the Sports Department earlier this week.

**Message from the Yr 9 Parent Coordinators**

Due to the many afternoon sporting commitments this Saturday 28 May, the Beach Volleyball has been cancelled. Apologies to those people who have already paid money for this event. This will be refunded to you.

**Responsible Laptop Usage**

I’m often asked how parents can monitor and encourage appropriate use of technology, particular our student’s laptops. The best way to support your child in this area is to stay informed about how young people are using their devices. Sign up for a regular newsletter from one of these agencies: www.esafety.gov.au or www.thinkyouknow.org.au. Spend some time reading over their fact sheets, then talk with your child about how they use their laptop for recreation and school work. Share your own strategies for staying focused while at work. If you are concerned about how your child is using their laptop you can request an audit of their laptop through me, where our ICT department will check all their settings, software, and discuss the ICT guidelines on the Redlands Network. You may also want to set up parental controls on your child’s laptop with set limits for usage such as bedtime, block or restrict instant messaging and control what applications and software can be installed. If you would like to receive a handbook on parental controls for the Redlands Network, please contact me.

**Sports Carnival**

Next Monday we have our Sports Carnival. All students are expected at school at 7.15am and should meet in the following areas:

- Cowper - Basketball Courts  
- McDouall - Lang Gym  
- Demolo - Liggins Quad  
- Roseby - Undercroft of Lang Gym

The Sports Carnival is a highlight of the School calendar and attendance is compulsory. Students who do not attend need to provide a medical certificate upon their return to school. We will also need an email to confirm if students are being dropped off or picked up by parents on the day.

**Year 8 SRC Assembly**

Our SRC representatives ran a school assembly for Yr 7 and 8 this week highlighting the risks associated with melanoma. Thank you to Toby Page, Maddy Howard, Alex Kourakis and Tadgh Robinson for their hard work in preparing such an informative presentation.
### Parent Information Evening: Adolescent Risk Taking

Yr 8 parents are invited to attend a parent information evening next Tuesday 31 May in Redlands Hall (6pm) on Adolescents and Risk Taking: Why do Teens do the things they do and what can you do about it? The evening will be run by Paul Dillon, who has been working in drug education for 25 years. This session is suitable for parents only. As part of our Pastoral Care program, our older students participate in sessions. To book for the parents only evening, please go to: [https://trybooking.com/LMKJ](https://trybooking.com/LMKJ)

### Yr 8 Parents Dinner

All Yr 8 parents are invited to attend the Yr 8 Parents Dinner to be held on Thursday 2 June, 6.30pm in the Garden Pavilion Room, The Oaks, Neutral Bay.

### Redlands Pulse

### Secondary School Athletics Carnival

The Secondary School Athletics Carnival will be held on Monday 30 May at Sydney Olympic Park Athletics Centre (SOPAC), Competition Arena - Edwin Flack Avenue. The Athletics Carnival is a compulsory school day. As the Carnival is held off-site, all parents are required to complete the online permission form via Redlands Pulse (Student Details). All students are to meet at School at 7.15am in their House areas (except 1500m runners who meet earlier at 6.50am at the Military Road entrance to the School.). Please see letter emailed home from the Sports Department for more information.

Hints to ensure an enjoyable day for students:

- Dress warmly, the venue can be very cold
- Students should be prepared for all weather, bring an umbrella
- Bring nutritious food and a water bottle
- Leave your electronic devices at home! It is a day for participation within your School House
- Students are encouraged to participate in events, as it is about being involved and not about achieving a place in a race.

### Ms Coombes

Ms Coombes is the Tutor for Yr 7 Roseby White, she has fulfilled this role with great professionalism and energy. She is a most caring teacher who always goes above and beyond to support and encourage students. Ms Coombes instigated the Easter festivities for our Yr 7 cohort and provided students with food, prizes and games on this day. Ms Coombes will shortly be taking maternity leave and I would like to thank her for the marvelous contribution she has made to the Yr 7 Pastoral team. I wish Ms Coombes all the best as she awaits the birth of her baby and enters this exciting new phase in her life.

Gala Arts - Opens Tomorrow
This exciting showcase of the talented students of Redlands will take place tomorrow night at 6.30pm in the Concert Hall at The Concourse in Chatswood. Students are extremely excited as they complete their final preparations for the sold out performance. This year’s celebrity Judge, David Campbell will be joined by past Captains Sally Mock (Dance Captain 2006), Christian Wilkins (Theatre Captain 2013), Augusta Miller (School Captain 2003) and Gala Arts Winner Tiffany Wong (Prefect 2014). We wish all the participants the best of luck for this exciting event.

Connections- Theatre of the Absurd
Congratulations to all the students of Yr 10 Drama who performed a collection of scenes from Theatre of the Absurd. Highlights included scenes from *The Lesson* as well as *Bald Prima Donna*. Focus was on character, role, situation and creating belief for the audience with their acting skills, interpreting some great pieces of Theatre of the Absurd.

Term 2 Performances

Solo Showcase

Piano Competition
Friday 10 June
The Music Department warmly invites all parents and their children to the Junior Piano Competition on Friday 10 June at 4.00pm in Redlands Hall. Supper will be provided at the conclusion of the event.

In pursuit of extending skills and developing ensemble skills of our Secondary pianists, the Music Department is pleased to announce a showcase item at the conclusion of the competition. Presented by our very own Redlands Piano Ensemble, members of the audience will be in for a treat as they experience a performance on Two Pianos by Eight Hands.

Northern Beaches Eisteddfod
Congratulations to members of the Junior Choir on an outstanding performance at the Northern Beaches today. Their performance was excellent and the audience and parents attending all enjoyed the performance. Thank you to Mr Li, Ms Houghton, Mrs McGlade and Mrs Luck for assisting with the event and preparing the students for the competition.

Athletics Carnival Information

A reminder that our Secondary Athletics Carnival is on Monday 30 May. This is a compulsory school day. All students are to be at school no later than 7.15am and meet in the following house areas:

Cowper – Basketball courts (or Lang Gym if there is wet weather)
Dumolo – Liggins Quad (or Gym Undercroft if there is wet weather)
McDouall – Lang Gym
Roseby – Gym Undercroft

A reminder that any students wishing to compete in the 1500m race need to email the Sports Department to reserve a seat on the early bus by Thursday 26 May. Athletes competing in this race will meet at 6.50 am at the Military Road front entrance to the School and depart at 7am.

Permission needs to be granted online for your child to attend the Athletics Carnival as it is held offsite. Students will return back to school at approximately 4.00-4.30pm. Further information was provided in the Athletics information letter emailed to all parents and students last week. This letter and the program can be found on Redlands Pulse. Any parents who wish to drive their child straight to the Carnival or pick them up from the Carnival need to email the respective Year Advisor to arrange this by Thursday 26 May. Students have been emailed their competitor number to their student email address. Students MUST have their competitor number written on their right arm to compete.

Good luck to all Houses for the Athletics Carnival on Monday. All parents and carers are welcome to attend the Carnival to support their child.

Netball

The Yr 7 NSNA teams will not train on Monday 30 May due to the Athletics Carnival. A reminder that all players must wear Redlands Sports clothing ONLY on Saturdays and at trainings.

Congratulations to all players for a great round of Netball last weekend. We had great matches and results across the ISA and NSNA competitions. Our younger and development teams are continuing to improve week in and week out. All coaches are focusing on developing stronger combinations within their teams as well as continuing to work on team communication and game sense.

The 1sts Netball team played against Oakhill 2 who had been regraded into Division 1 after displaying dominance for the first half of the season in Division 2. The game was close for the duration of the match with some outstanding skills and sportsmanship displayed from the Redlands side. Netball Captain, Rachael Wilson, was outstanding in GD. Rachael’s rebounding was sensational and the amount of intercepts she gained for Redlands were very beneficial to our team and the end result. Rachael was awarded the Player of the Match by her teammates.

Sport

**Hockey**

The weekend saw both our 1sts and Junior A sides take on Oxley at Macquarie University. In what was some spirited and challenging games, our 1sts Girls went down 0-4 along with the Juniors 0-2 to one of the strongest sides in the competition. Our Open C Girls took on Oakhill, not quite being able to take advantage of the opportunities they created in front of goal saw them go down 0-1.

This weekend we are once again playing at home with all teams, the 1sts team taking on Chev at 9.00am, Open C playing BMGS at 9.00am and the Junior A Girls playing Chev at 10.15am.

**Tennis**

On Saturday our ISA teams played St Patrick’s College. It was a very tough day with St Patrick’s taking out all but one of the fixtures. Team 1 was very close to winning their day. There were some really great individual matches in Division 1. Well done to Team 6 on recording a fantastic win overall. Congratulations to all other teams who fought hard all day, and didn’t give up.

In the NSTA competition, Redlands 2 managed to beat Redlands 1 with three very close games to show just how competitive both teams are. Redlands 9 recorded a fantastic win over Pymble Ladies’ College 2 in a very close and hard fought fixture. Redlands 6 had a narrow loss to Pymble Ladies’ College 2. Once again we faced some tough opponents and it is fantastic to see all players giving it their all each and every week. Well done.

**Waterpolo**

The Open Boys Waterpolo teams have a bye this Friday due to Gala Arts. The Intermediates will play on Monday evening after the Athletics Carnival and the times are in the fixture sheet sent out in the Redlands Rhino email on Tuesday.

**Winter Sport Photos**

A reminder that Winter Sport photos are approaching and these photos will be taken on 9 June from lunchtime through to the end of Sport. All 1sts teams will be required to have their photos taken in their playing uniform. All other teams will be in their full Winter School Uniform.

**We Love Photos!**

It can be difficult for our Sports staff to get around to all venues, see all teams and capture good action images of all our students, but photos are a great way to document our seasons. If any budding photographers are shooting at your Sports fixtures, we’d love to see the photos and use them in our publications/online. Please contact the Sports Department if you have any or take any shots, we’ll be sure to use them.

Message for Junior and Prep Parents
Thank you for registering to compete for the Redlands Junior Campus Snowsports team at Thredbo and Perisher this season. If you have raced before your children may ski well enough to join our Redlands race training lessons which begin on Friday 8 July at Thredbo at 9.30 - 11.30am. These lessons must be booked here and when booking make sure you click on the day you require and the Junior lesson group (JNR Training). Lessons depart from the Kozzi Express Chair at the bottom of Mount Crackenback. Our Redlands staff will meet you there around 11.15am. You must have a season pass or a valid lift-only day pass to attend the race training lessons.
If this is your first time racing, I suggest you go to Thredbo’s Freeride program for all day lessons prior to your race. These Freeride lessons can also be booked through our trybooking if you already have a season pass or a valid day pass. If you would like to book Freeride lessons per day, you can also go ahead and book them through the Thredbo website yourself.
If you are planning to continue and race in our Interschool races at Perisher you will need to buy your day pass for the day of your event. You can check your race dates, events and times on the race calendar found on the interschool website.
For further clarification of any of the above, please feel welcome to contact myself or Mr Bruce Campbell. I look forward to seeing you on the slopes!

In this last fortnight, our four Junior School Coordinators: Mrs Maxwell, Ms Cleary, Miss Roodenburg and Mr Coutts, together with the Junior Campus Dean of Administration, Ms Atkins, and I have embarked on a twelve week course with Harvard University’s Graduate School of Education, exploring the key elements of how to create a Culture of Thinking in both our classrooms and our school. Redlands has a strong connection with Harvard’s School of Education with Harvard’s Teaching for Understanding course an important element in the foundations of our own teaching framework, the Redlands Learning Platform.

When I think of highly effective teaching, strong planning and instructional design are always precursors. However, effective teaching requires more than that; it also includes attention to the culture of the classroom in which we teach. A primary aspect of this course explores eight cultural forces: expectations, language, modelling, time, opportunities, routines, interactions and environment (see diagram), and as a group, we are excited to see how we can further leverage these eight forces to strengthen a culture of thinking here at Redlands.

Just as I hope our teaching does for our students, we are already seeing that this course is proving to be an engaging challenge for us but the passionate and robust dialogue that some of the assignments have already stimulated has also reaffirmed for me the inspirational leadership qualities of this group of teachers and lifelong learners.

It has been lovely to have the full complement of Junior School students back this week after Yr 3 and Yr 4 spent time away on Camp last week. As always, the opportunity for me to spend time with students outside of our school grounds has given me even greater insight into their personalities and qualities. Many students have returned with new friendships formed and increased confidence. In assembly this week many also indicated that they had been challenged to step out of their comfort zone at some point during the trip, something we hoped would be the case.

As the Junior School Outdoor Education Camps conclude for 2016, I express my sincerest gratitude to all of our teachers who attend these important events in our school calendar. Looking after a large group of students on trips like these takes a huge amount of planning and preparation, primarily the role of Year Coordinators, but it then needs all of the teachers to be in loco parentis to ensure that every child’s needs are looked after, as was the case on all of our four Camps.
Junior School

Open Morning

We were delighted to welcome over 100 prospective parents this week in the first of our two Junior Campus Open Mornings this year. In a slight change this year, we partnered some of our Yr 6 students with Yr 2 students as tour guides and once again, the students were wonderful ambassadors for Redlands, feedback that was provided by many parents as they left the morning. The connections that students have with older or younger students on the Junior Campus is an important focus for us and our move this year to have shared play spaces for Prep and Junior School students has further developed these vertical connections.

Phoebe Barnett – Yr 5

Congratulations to Yr 5 student, Phoebe Barnett, who is performing in the family-friendly musical classic, *Annie*, in June with the Mosman Musical Society as one of the orphans, Tessie. Annie opens on Friday 17 June at the Zenith Theatre in Chatswood, running for eight performances through until Friday 25 June. The performance has been ‘double cast’ which means that each of the children appear in four shows each. Phoebe will be performing at 2pm on Saturday 18 June, 3pm on Sunday 19 June, 7.30pm on Friday 24 June and at 7.30pm on Saturday 25 June. Tickets can be purchased here.

Walk to School Day

Last Friday, many Junior Campus families took part in National Walk to School Day. Coordinated by our parents, a number of whom acted as walking leaders from a variety of starting points, the community event was very popular and my thanks are extended to all who helped to organise this event.

Conference Leave

Please note that I am away on conference leave from Thursday 26 May until Tuesday 31 May at the biennial Independent Primary Heads of Australia and New Zealand Leadership Conference. Held this year in Auckland, part of the trip will also allow me to spend time in three schools similar to Redlands, which I know will allow me to explore future possibilities for us.

I look forward to sharing my learnings from the conference through Note Day upon my return and in my absence, Ms Leonie Atkins, Junior Campus Dean of Administration, will step into aspects of my role, a position she has deputised in before with great assurance.

HICES Cross Country

As we go to print the Redlands Cross Country team is competing at the HICES Cross Country Championships in Moss Vale. I look forward to bringing everyone the results of this hard working group next week.

IPSHA Rugby

Great running rugby, tremendous support play and excellent sportsmanship were on hand at Kings last week where our teams gave a great account of themselves. Our Yr 6 team were very generous in assisting their opposition who were short on players. Some of our Redlands players even scored against us! Seeing the Trinity boys were light on in their final game, our students jumped in and helped out, earning high praise from the Trinity group and IPSHA’s organisers.

Our Yr 4 team has gone from strength to strength over recent weeks. The support play of Andrew Kinghorn and Will De Saxe was a highlight. Rik Beugel’s incisive running and Hugo Scott’s tenacious tackling are making for some really exciting play. Will Andrew crossed for his first and a very well deserved try after his tireless work at the breakdown.

As we go to print the Redlands Cross Country team is competing at the HICES Cross Country Championships in Moss Vale. I look forward to bringing everyone the results of this hard working group next week.

IPSHA Football

Yr 6 Football this week will be played on a synthetic grass surface. Normal Football boots may be worn.

Our Yr 5 footballers are showing some good signs and just need to hit the scoreboard. In a tough match against Knox, our students held their own for the majority of the match and despite creating some exciting chances, couldn’t quite finish. When we start to take our chances across all of the grades, we will be super hard to stop!

Our Yr 3 footballers are also starting to hit their straps, playing some really open Football with great shape and passing. It’s fairly rare to see low scorelines in Yr 3 matches but last weekends 1-1 and 0-0 draws for our City and United teams, along with some glowing remarks from both coaches, indicate that the quality of our matches is really high as well as exciting. City and United both play at home this week as per the draw, but are away the following weekend in Moss Vale - a bus will be available for the team and info about that will be emailed to parents.

Redlands has this year officially changed over to the newer style pinstripe Football uniform available from the Uniform Shop. Please also note that only Redlands attire should be worn at matches.

IPSHA Hockey

Zoe Naismith starred in the midfield and put away a tremendous goal in our Hockey team’s 2-1 loss to PLC last weekend. Jessica Marshall took to the Goalkeeper’s pads, making some tremendous saves and really enjoying her time behind the mask. Coach Sophia is ecstatic about the girl’s performance and with Friday additional training available now to help the girls fine tune some skills, we’re coming closer to our first win each week.

AFL

Daniel Cullen made a welcome return to the Redlands AFL program after a collarbone injury had kept him out of the early rounds. Daniel’s composed delivery of the footy and calm head under pressure led from the front in a resounding victory over and improving St Pius team. Oliver Garrett is this week representing NSWCIS at the NSWPSSA AFL tournament in Nelson Bay. Oli’s hard work with our Redlands team as well as the Swans Academy puts him in good shape to perform well at this elite level schoolboys Football Championships. This week’s match is at 10am which is a change from the original schedule.

Netball

Matches continue this Friday and Saturday and are Round 7 fixtures.

We Still Love Photos!

It can be difficult for our Sports staff to get around to all venues, see all teams and capture good action images of all our students, but photos are a great way to document our seasons. If any budding photographers are shooting at your sports fixtures, we’d love to see the photos and use them in our Sports noticeboard area in Dunnet Hall. Please contact the Sports Department if you have any or take any shots that you like or are proud of, we’ll be sure to use them.
WINTER BEFORE SCHOOL TRAINING SCHEDULE
Given the very early nature of our before school training sessions, coupled with the shortage of indoor training areas, if you are planning to attend a session scheduled for outdoor venues, please be mindful that these sessions may be forced to be cancelled in wet weather or after heavy overnight rain. We can’t necessarily get this message out in time! SO please use your own discretion and common sense to guide your decision to drop students off at training in wet weather.

Before School Athletics

Renowned Athletics coach Nathan McKay is running a speed and agility program on the Junior School Oval before school Thursdays from 7.15 until 8am, Nathan and his coaches will guide technique, improve running efficiency, speed and agility to help with a range of sports as well as Track and Field. Contact Nathan for enquiries 0425 327 486.

Before School Basketball

Basketball skills sessions are run year round to help keep the students sharp. Our coaches are getting lonely on a Friday! Keen basketballers should come down to keep their skills tight, work on some new moves and get some great coaching from the range of guest coaches who will be popping through on Fridays.
Walk Safely to School Day
Congratulations to all those who participated in Walk Safely to School Day last Friday. It was lovely to see the happy faces arriving in groups telling me how much fun it was to all walk together to school.

Science Week in the Prep School
Last week Yr 1, 2 Emerald and 2 Crimson all participated in interesting activities exploring Science. Yr 1 had a visit from Fizzics Education where they learnt about Chemicals Reactions and Change and explored the ideas and the concept of chemical reactions and changes involving heat, gas, light, liquids and solids.

Today I went to a fantastic science show. I was at the science lab in the Junior School. First we met Andrew who was the man running the show. Next he let us see the liquid nitrogen and told us that some people mistake liquid nitrogen for water because it was clear. After that he showed us that if you put liquid nitrogen in a container with a lid and you put the lid on it pops off. Then he showed us that if you add liquid nitrogen to tap water it changes into a cloud, it was brilliant. Today I learnt that gas from cold water goes down and gas from hot water goes up. Daniel Bailey

Two Emerald worked with Mrs Anagnostu who is doing a research project based on STE@M activities with younger children. They had three sessions this week exploring conductive materials and learning about electrical circuits. The other three Yr 2 classes will be doing this project towards the end of this term.

Yr 11 visited 2 Crimson this week to share and collaborate as they were both studying aspect of the Water Cycle.

REDLANDS HOUSE CREMORNE AND TRANSITION GOLD
Illness
As the cooler weather of winter approaches, and we come into cold and flu season, we encourage you to please keep your child(ren) at home if they are unwell. This prevents the spread of infection amongst the children and staff. If your child is absent, could you please send an email to Mrs Donna Tait to be placed in your child’s file. Thank you.

RHC Community Garden
The staff have established a learning centre in the garden area for the children to harvest seeds, explore the names of plants and weeds, water and tend to the garden. Thank you to the mothers who have been joining us in the mornings. If you would be interested in supporting the children in this area on either a Tuesday or Thursday morning, please let us know.

Recycling Request
If any of our families have any one litre containers with a lid, from either milk or juice or the like at home, could you please rinse them out and save them for us – lid included. We have a box to collect them next to our Recycling Station in the foyer. We will be using these for collections from our Worm Farm. More information about this will be in an upcoming edition of Note Day.

REDLANDS HOUSE NORTH HARBOUR
Classroom Sharing
We would like to invite all our Junior Families for an Afternoon of Sharing. The Red Class Juniors Afternoon will be held in the Red Classroom on Tuesday the 31 May at 2.30pm until 3pm.
The Green Class Juniors Afternoon will be held in the Green Classroom on Friday 3 June at 2.30pm until 3pm.
This is a wonderful opportunity to experience ‘a little of Redlands House North Harbour.'
