SNAPSHOT: Redlands ICT Programs Enhancing Learning and Teaching – Learning with ICT

Kate Carolan, English Teacher

Yr 9 English students studied the Poetry of Protest looking closely at poets who used their work to create an important message for readers. Yr 9 students were asked to choose their own protest poet and use ICT to research their life and one of their famous poems. Students then created their own website using Weebly or Wix. The website had a variety of different sections including one on the poet’s life and context, a copy of one of their poems, an analysis of that poem and a bibliography showing their research. Students submitted the links for their websites as well as a learning journal that detailed the development of their website, including any problems that they faced in the construction of the site.

In addition, senior English IB students have been utilising the Discussion and Collaboration features (Google Docs) in iLearn as a new and easily accessible way to help students to share their ideas and notes on difficult texts such as *Hamlet*.

We’re offering a beginners Code Camp for Yrs 2 to 6 students on 12, 13 and 14 July for Redlands students to develop their coding skills as part of our STEAM initiative. The camp costs $350 and is facilitated at Redlands Junior Campus with CodeCamp staff. Equipment is provided. Numbers are limited. Book at www.codecamp.com.au/redlandsbeg.

To ensure BYO devices are “Winter School Ready” we’re asking all students to bring their device to iSupport so that we can verify that they have the appropriate software installed; updated their Operating System and Anti-Virus; have removed inappropriate games and files and have their computer in full working order.

Week 8 (this week) – Yr 7 and Yr 10 students bring their Winter School device to iSupport

Week 9 (next week) – Yr 9 students bring their Winter School device to iSupport

Students will be given limited access to FaceBook at Winter School between 5.00-6.30pm each day.

Thank you to all the families who have kindly contributed to this unique opportunity and secured their Redlands Family Plaque to be placed on the Legacy Board in the foyer of the New Learning Hub. This contribution will allow us to progress in this much desired redevelopment of the Senior Campus. All donations are appreciated as tuition fees only cover the running costs of the School and capital works need to be financed by additional financial resources such as bank loans, reserves and donations.

There is still an opportunity until the end of June 2016 to have your family and child/ren’s name included. All donations to the Building Fund are tax deductible. You can also structure your payment over a period of time (up to 3 years). Should you wish to secure a Plaque in one of the three categories ie. $1,000, $5,000 or $10,000 for your child, please go to [http://www.redlands.nsw.edu.au/new-learning-hub-appeal/](http://www.redlands.nsw.edu.au/new-learning-hub-appeal/).

**Once in Lifetime Opportunity - Secure your Redlands Family Plaque by the end of this financial year**

**Redlands Classic Spring Fair**
Saturday 10 September, 9am-3pm

Only three sponsorships left - be quick if you would like to support the School through your corporate sponsorship. The last three sponsorships opportunities available are International Food Piazza (10 stalls), Redlands Café, Old Alley.

This exciting event welcomes over 2,000 visitors to enjoy and take part in our traditional fair program, which includes action packed rides, key performances from our talented students and Alumni and delicious homemade food representing our International families. All financial proceeds generated by the Spring Fair will be dedicated to the School development programs. The Foundation Office is supporting the RPFA in this fantastic event and is seeking corporate sponsors for selected stalls and prizes and vouchers for the Chocolate Wheel. This is an excellent opportunity for parents to support the School community event. For more information, please contact Dana Casimaty, Director of Development on 9968 9858 or dcasimaty@redlands.nsw.edu.au.

**Platinum Girls Luncheon 2016**

*‘Yesterday, today, tomorrow’*

The annual Platinum Girls Luncheon was held on Wednesday 1 June this year as part of the Heritage Week celebrations.

The Platinum Girls Luncheon honours the girls who attended Redlands more than 50 years ago (up to the Class of 1965). This year we welcomed back over 60 of our Platinum girls, who made it an afternoon to remember with many memories, laughs and stories shared. We welcomed celebrities Georgina Shelley, Australian Olympic swimmer for 100m Backstroke in Melbourne 1956, and Rosemary Stuart who still remembered Miss Roseby from her times in Redlands.

The Platinum girls recognised how much the School has changed and what opportunities for subject selection the today’s students have. “In our times we could choose between Art and Design or Latin and French”, one of the guests noted.

This year the Luncheon celebrated the theme of ‘Yesterday, today, tomorrow’, honouring the impact our Platinum girls have had on the school as it is today, and into the future. We were delighted to have a number of Yr 12 Prefects join us for the early stages of the event, and to hear moving speeches from Deputy Principal, Ms Sarah McGarry on ‘Reflections of Yesterday’, and School Captain Zoe Thompson on ‘Today’. Without doubt a highlight of the afternoon was the wonderful musical performance from our Prep School Choir, who worked very hard to put together a special performance for this event and were delighted to share this with our Platinum girls.

Special thanks to the Canteen and Music Department for all of their efforts with providing catering and entertainment on the day. We would also like to acknowledge and thank the Yr 12 Prefects who volunteered their time to attend the event and mingle with our Platinum guests during their arrival and prior to lunch. The Platinum girls thoroughly enjoy this opportunity to interact with the students of today, and it was a pleasure to see the enthusiastic and courteous way in which the Prefects approached this event.
Redlands is delighted to be welcoming Bill Hansberry to Redlands on Monday 18 July. Bill is a very well-known and highly respected educator and counsellor who has worked with various schools and organisations across Australia (including Redlands Junior School last year) and the UK. He will be leading various workshops with staff during the Professional Development Day and then in the evening he will be giving a presentation to parents on the topic of “Being the Best Resilience Coach for your Kids so they can navigate life’s ups and downs”. This very much complements the very successful and popular presentation by Paul Dillon earlier this term on “Adolescents and Risk Taking”. Redlands is committed to providing a safe and secure community for all of our members and periodically, we invite guest specialist experts to deliver parent education seminars about topical issues. We work in partnership with parents to help our young people make good, ethical choices, and to allow them greater individual freedom without compromising their health, safety or wellbeing. This session will be covering material aimed at parents and carers and it is not appropriate for students to attend this session. As Bill’s sessions are always highly relevant, informative and practically based, we encourage all interested parents to attend. Places are limited and so I would urge you to book early. I will be sending out a letter to all Secondary School parents which will contain further details of this and how to book places.

As we are approaching the mid-point of the year, this is a reminder that those families who are planning on leaving the School at the end of Term 4 are required to give notice of departure by the end of Term 2 with an email to registrar@redlands.nsw.edu.au. On Saturday 10 September our School is hosting the Redlands Classic Spring Fair. This event is eagerly anticipated and well loved by many in our community. The success of the Spring Fair is heavily dependent on a high level of volunteer participation by our parents from all Year Groups, Redlands House to Year 12. This event focuses on providing an enjoyable day for all our children and bringing together not only our School, but the local community.

Please consider volunteering your time in preparation of the event, on the day itself or by the donation of materials to support your Year Group stall commitment. Those parents who are captaining stalls are relying on you to volunteer and provide the assistance they need. Please be proactive and heed their call for support; your generosity and time will be greatly appreciated by all involved. All the contact details and call out dates can be found in the RPFA section of Note Day and on Redlands Pulse.

BILLY G’S GOURMET COOKIE DOUGH IS NOW AVAILABLE. FUNDRAISING HAS NEVER TASTED SO GOOD.

Redlands Cambodia Team is excited to announce that today we commence our very own Billy G’s Cookie Dough Fundraiser. All funds raised will go to the charities supported by the Year 11 Service trip to Cambodia.

Each student has been provided with one Billy G’s Fundraiser order form that will assist in collecting orders from family, friends and neighbours. You can only purchase their cookie dough through this fundraiser and is not sold in stores, so stock up!

Billy G’s is an Australian family owned and operated business that provides quality ingredients for that homestyle taste. There are ten (10) delicious flavours to choose from including a new Gingerbread and Shortbread biscuit dough. They also make available a Gluten Free Chocolate Chunk, and a cheese flavoured Doggie Dough that your favourite furry animals will go bonkers over.

For each tub of Gingerbread Dough purchased you will receive a free gingerbread man cookie cutter. The kids will love baking and decorating their very own cookies.

We have a fantastic incentive prize program available for each family who buys one or more tubs of cookie dough. There are over 50 prizes to choose from which can be viewed on your Billy G’s order form.

- The cookie dough is packed in a reusable 1kg tub which makes 40 x 25g cookies. $33-$38 per cookie.
- You can RE-FREEZE the cookie dough and thaw it out as you require for baking.
- You can keep the thawed cookie dough in your refrigerator for up to 4 weeks.

Login Details:
Group Postcode: 2090
Group Name: Redlands Senior School

Billy G’s Golden Lid Competition: Find a Billy G’s Golden Sticker under the lid of a tub of cookie dough for your chance to win instant prizes.

Gold Coast Family Holiday Promotion: Simply by purchasing or selling a tub of cookie dough you will have the chance to win a five (5) night holiday to the Gold Coast staying at Sea World Resort & Water Park, entry to the major theme parks and either $1,000 spending money or a $1,000 Virgin Australian Gift Voucher. To enter, please go to www.australianfundraising.com.au/win.

Please return your brochure & monies by 24th June (END OF TERM) to the Secondary School Office

Current scheduled day for pick up is Friday 22nd July (Term 3, Week 1)

We thank you for supporting the Redlands Service Trip to Cambodia!

This week the final rounds of RQ Debating will be held at Redlands. Congratulations to all of the students who have been involved this term. Your dedication has been absolutely fantastic, and your coaches have commended all of you on your skill development this term. For this week’s debates, students are asked to meet Ms Riley, Ms Cleary and Ms Peters at the picnic area at the front of the School at 3.45pm. Debates will commence at 6.00pm and will take place in the R Block.

LIBRARY

It has been interesting to observe the steady improvement of the students at Kambrya College in the series Revolution School on ABC-TV. The school had been dealing with low literacy scores in Naplan tests, and decided it was a priority to address this problem. One of the solutions was to introduce an Independent Reading Program in the Secondary School. Students were asked to spend time each day reading a book of choice from a library. The outcome was that not only did they enjoy this daily reading time, but the benefits flowed on to literacy levels, vocabulary strength and personal wellbeing. Of course, reading stories also contributes to our often forgotten need for stories in our lives and our imaginations.

At Redlands we have wonderful libraries and a community which supports reading at all ages. We already have independent reading programs, with every English class in Yrs 7-10 having a whole lesson devoted to independent, quiet reading. In the Library we have observed that some students really welcome this time for deep immersion in a book and there is a feeling of calm and relaxation. Others appear to find settling into quiet reading a challenge. However, we are very aware of the need to encourage deep reading. It can only be beneficial and students definitely need some time in their schedules for this important and enjoyable activity.

There are many new books to enjoy in the Roseby Library, and the books short-listed for prizes in the Children’s Book of the Year awards (winners announced in August) have all been made available to borrow. Keen readers should see the Library staff about borrowing extra books for the holidays, and we also welcome book reviews from students, which can be posted on our Library catalogue to help others choose a good book.
All students welcome. Come and find out what it takes to get into Medicine and all about the UMAT test - Thursday 23 June at lunchtime in L2.6 (next to Staff Room).

This will be held in the holidays on Friday 8 July at ACU North Sydney campus. Students can choose their own mix of workshops, it’s a great way to try out a class and get a feel for ACU’s campus vibe. Register [here](#).

This will be held in the holidays on Thursday 7 July. This is specifically for students in Yrs 11 and 12. You have the opportunity to build your own timetable for a day, choosing from over 30 workshops. Registration essential:

This is also open to Yrs 11 and 12 and their parents from 6-8pm. All Degrees will be explained as well as available scholarships, entry pathways, international experiences and more. Register [here](#).

The world is an unpredictable and broken place. This past week we have watched with sadness and anger at the event unfolding in Orlando. Can this be happening again? Another case of a group of people destroyed by the violence of another. It confounds and saddens us, as it should. We grieve for the pointless loss and the waste of life. We feel anger at violence and hate. As we ponder, we long for the day when such injustices are addressed. We long for a day of justice. Other members of our community have recently lost family or friends by accident or sickness. This is always a difficult time as one grieves. Losing someone we love is always a difficult process. Simplistic answers do not help; they only make the loss more acute because as we grieve it is like a storm that seems to never end. As we lament, we long for a day when we are not helpless before death and sickness. We long for a day of healing, healing individually and for the world.

A day of both justice and healing is the great comfort and hope of the Christian gospel. Jesus promises to return and at that time justice will be upheld. Each deed will be held to the light of truth and be addressed. He promises that on that day there will be a restoration of the world so that there will be no more sickness, pain, sadness or death. Jesus’ return is a day of justice and healing. The Heavenly Father is with us in our present grief, sharing our heart of sadness. His word reminds us that there is light in the darkness. So I find comfort as I look forward to the return of Christ with hope and thankfulness.

All parents are invited to join us to pray for the Redlands' community. We will meet tomorrow, Friday 17 June, 2.00pm to 3.00pm. We will meet in the Boardroom that is on the Senior Campus, behind the Nurses Office and next to the Math’s Staffroom.

Upcoming Event:
Australian Health Humanitarian Aid Group

The [AHHA](#) is an Australian non-profit charity organisation who provides free medical, optometric and dental treatments to the desperately poor in Vietnam and Cambodia. Previously operating under Vietnam Vision Inc. (founded 2003), AHHA was newly established in 2015. It has provided more than 6500 free cataract operations and thousands more medical, dental treatments and humanitarian services. Next Thursday 23 June, William Cheng (Yr 11), with the help of Rotary Liverpool, will be holding a sausage sizzle to raise some much needed funds to support the work of AHHA. So bring your spare change and come join us for lunch in the Liggins Quad.

Student Achievements
Several achievements are worthy of note in this edition. Firstly, congratulations to the Prefects who organised and ran the Secondary School Assembly last Friday. These assemblies are planned, organised and delivered by the Prefects and covered a range of topics including sporting achievements, building School pride and respect, responsible use of ICT and tips for younger students dealing with day to day life around the School. These assemblies are always highly informative and entertaining and communicate in a way that only their peers are capable of. Last Thursday the Prefects also organised a lunchtime advice session for Yr 10 students who are deciding between the International Baccalaureate and the HSC and this was warmly received by the Yr 10 students. Finally, thanks to the Science and History Departments who organised visits for Yr 12 students to Sydney University last Friday and Saturday. By all reports, these excursions were a huge success and thank you to the students for their active engagement and excellent behavior.

Secondary School Athletics Results
Congratulations to Zoe Baker and Jamie Russell who were the Open Girl and Boy Age Champions at the Carnival. Also, congratulations to Uzes Beaton, Julius Feldmann and Joshua Starr who were Runners Up in the Age Championships at the Carnival.

Senior Music Festival
Good luck to all the Yr 12 students performing at the Senior Music Festival this Friday at The Concourse in Chatswood.

Yr 12 Formal - Friday 24 June
It's almost here! A reminder that the Redlands Yr 12 Formal is on Friday 24 June at the Four Seasons Hotel, 199 George St Sydney. Pre-dinner drinks are at 6.30pm in the foyer and doors open at 7pm. On that day Yr 12 students have permission to leave School at lunch time in order to prepare for this wonderful celebration.

YEAR 11
Ms Marita Jansons, Year Advisor
mjansons@redlands.nsw.edu.au
(02) 9968 9819

Achievements
Well done to the following students for their stellar results at the Senior Athletics Carnival: Tasha Beaton (U16 Girls Runner Up), Beth O’Sullivan (U17 Girls Runner Up), Eliza McEwan (U17 Girls Age Champion) and Thomas Corel (U17 Boys Age Champion and Senior Boys Division Champion).
Congratulations to Chessie White and Zoe Mamo who performed their winning Gala Arts Theatre performance, Secrets, at the Prefects Assembly last Friday morning.
Redlands Spin for Cambodia - students completed a 60km spin cycle on Sunday 12 June raising over $1200 in sponsorship for their fundraising efforts. A special thanks goes to the Balgowlah Cycle Studio who hosted, supported the students to complete their distance, promoted donations from their customers - a fantastic contribution! Excellent teamwork by all to persevere and continue to cheer everyone through to completion.

Senior Music Festival
Congratulations to our Yr 11 students who will be performing at the Senior Music Festival on Friday night. Again we are reminded of the immense talent of our students.

Yr 12 Jerseys
A reminder that forms are due back to the Uniform Shop by Friday 24 June, with payment. Students can try on samples in the Uniform Shop. Forms were sent to student emails in Week 7. Surnames only, will be printed on the back of Jerseys. However, should students share the same surname as another in our Year Group they are able to include their first initial. Jerseys will be distributed in early Term 4.

Thank you to students and parents for being so punctual with the submission of subject and course selections for next year. It is greatly appreciated by the School and allows more efficient allocation of staff allocation and creation of class lines for 2017.

Last week the Yr 12 Prefects held a casual session for the Yr 10 students to discuss, in the absence of staff, their views on the subjects they have been studying over the past two years. Around half the Yr 10s attended this lunchtime session and were thankful for the honest and impartial advice they received.

Last week the Yr 12 Prefects held a casual session for the Yr 10 students to discuss, in the absence of staff, their views on the subjects they have been studying over the past two years. Around half the Yr 10s attended this lunchtime session and were thankful for the honest and impartial advice they received.

There are a large number of Yr 10 students who are participating in the Senior Music Festival at The Concourse this Friday night. No doubt this will be a wonderful display of the talent and dedication of these musicians.

Congratulations to all the Yr 10 competitors who took part in the Athletics Carnival. Some outstanding performances: John Economides - Under 16s Champion and Intermediate Age Group Runner Up, Gabriel O’Sullivan – Under 16s Runner Up and Jemma Donoghue – Under 15s Champion and Intermediate Age Group Champion.

Please be aware that changing elective courses is now not possible for Yr 10 subjects. BOSTES requires a prescribed number of hours for courses as part of the ROSA (Record of School Achievement). Whilst the School does understand that students may now wish to move classes, the limited time remaining for face to face teaching this year means that this is now no longer an option.

At the Prefect led Assembly held last Friday, the Age Champions from the Athletics Carnival were announced to the students and staff. We were delighted that Cameron Pascoe achieved Age Champion in both categories of U15 and Inter Boys; Joh Sawa and Isabel Binnekamp were Runners Up for U15 Boys and U15 Girls respectively. Congratulations to these three students and all of the Yr 9 students who competed during the Carnival. They all impressed with their athleticism, spirit and courage.

The Parent Teacher Evening will be held in the Gym on Wednesday 22 June from 5.00pm - 8.00pm. An email was sent out last week regarding the booking details. By now, students have received the results and feedback from their Half Yearly Examinations for most of their subjects. It would be useful for parents to have a discussion of their results with their child before the meeting.

On Friday morning, Yr 9 students will attend a special presentation for the Redlands Arnhem Land Tour 2017. Initiated by Ms Margaret Johnson, Coordinator of Exchange and Innovative Programs, this exciting program exclusively offers a unique opportunity for our Year Group to embrace the Aboriginal culture with local schools and community in the Arnhem Land region. If you or your child is interested in participation, please contact Ms Johnson (mjohnson@redlands.nsw.edu.au) for further details.

It is a reminder that the deadline for the Electives Subject submissions is Thursday 23 June. Should you experience any problems completing the online selection or have questions about the process, please contact David Randall, Dean of Studies, via email.

We were delighted that Cameron Pascoe achieved Age Champion in both categories of U15 and Inter Boys; Joh Sawa and Isabel Binnekamp were Runners Up for U15 Boys and U15 Girls respectively. Congratulations to these three students and all of the Yr 9 students who competed during the Carnival. They all impressed with their athleticism, spirit and courage.

The Parent Teacher Evening will be held in the Gym on Wednesday 22 June from 5.00pm - 8.00pm. An email was sent out last week regarding the booking details. By now, students have received the results and feedback from their Half Yearly Examinations for most of their subjects. It would be useful for parents to have a discussion of their results with their child before the meeting.

On Friday morning, Yr 9 students will attend a special presentation for the Redlands Arnhem Land Tour 2017. Initiated by Ms Margaret Johnson, Coordinator of Exchange and Innovative Programs, this exciting program exclusively offers a unique opportunity for our Year Group to embrace the Aboriginal culture with local schools and community in the Arnhem Land region. If you or your child is interested in participation, please contact Ms Johnson (mjohnson@redlands.nsw.edu.au) for further details.

It is a reminder that the deadline for the Electives Subject submissions is Thursday 23 June. Should you experience any problems completing the online selection or have questions about the process, please contact David Randall, Dean of Studies, via email.

Subject Selection
Thank you to students and parents for being so punctual with the submission of subject and course selections for next year. It is greatly appreciated by the School and allows more efficient allocation of staff allocation and creation of class lines for 2017.

Thank you to Year 12s
Last week the Yr 12 Prefects held a casual session for the Yr 10 students to discuss, in the absence of staff, their views on the subjects they have been studying over the past two years. Around half the Yr 10s attended this lunchtime session and were thankful for the honest and impartial advice they received.

Changing Classes this Year
Please be aware that changing elective courses is now not possible for Yr 10 subjects. BOSTES requires a prescribed number of hours for courses as part of the ROSA (Record of School Achievement). Whilst the School does understand that students may now wish to move classes, the limited time remaining for face to face teaching this year means that this is now no longer an option.

Senior Music Festival
There are a large number of Yr 10 students who are participating in the Senior Music Festival at The Concourse this Friday night. No doubt this will be a wonderful display of the talent and dedication of these musicians.

Athletics Carnival
Congratulations to all the Yr 10 competitors who took part in the Athletics Carnival. Some outstanding performances: John Economides - Under 16s Champion and Intermediate Age Group Runner Up, Gabriel O’Sullivan – Under 16s Runner Up and Jemma Donoghue – Under 15s Champion and Intermediate Age Group Champion.

Important Dates
- Friday 17 June
  - Senior Music Festival, 6.30pm The Concourse Chatswood
- Monday 31 Oct - Friday 4 Nov
  - Yearly Examinations
- Monday 7 Nov - Friday 11 Nov
  - Year 10 Camp
- Monday 21 Nov - Friday 25 Nov
  - Australian Business Week
This term, we will be saying farewell to three Yr 8 students; James Burley-Jukes, Liv Oberholzer and Thomas Peach. We wish them all the best at their new schools and hope their time at Redlands has been thoroughly memorable.

Tomorrow night many of our talented Yr 8 musicians will be performing in the Senior Music Festival. The essence of this year’s Festival is to represent a colourfull map of music and arts, exploring the synergy that exists between cultures, industries and societies. Best of luck to all our performers who have worked so hard in preparing an amazing showcase of Redlands musical talent.

NSW Health Department’s School Immunisation team will be visiting our Senior Campus for catch-up vaccinations for HPV on Monday 20 June. Tutors will be reminding those students whose names have been forwarded to us by NSW Health. If you have any queries about your child’s vaccinations, please contact the School Immunisation team on 9477 9400.

On 29 July (Friday, Week 2, Term 3), Yr 8 Language students will be involved in the annual Languages evening, A Night To Delight. Each Yr 8 Language class will be presenting a live performance. It is expected that all Yr 8 Language students, except those at Winter School, will be in attendance. Parents are very warmly invited to attend. The event is an exciting night featuring the cuisine and culture of the Languages studied at Redlands. In addition to our wonderful Yr 8 performers, there will be professional performers. There is also a cultural quiz prepared by Yr 10 Language students, and a fantastic raffle to raise money for the Yr 11 Cambodia trip. Permission requests will be emailed to Yr 8 parents in due course. Parents can purchase tickets here. For any questions about the event, please email Mr Ransom.

UN Youth NSW is proud to announce that registrations are open for its Public Speaking Competition ‘VOICE NSW’. The competition invites students in Yrs 7-10 to present a prepared pitch which relates to a pressing global issue. They are then tested on their impromptu speaking skills in Question Time, which will ask them to expand on their solution. For students, this is a wonderful opportunity to learn more about the world, as well as to present their views to their peers. For registrations and full listing of dates and venues, please go here.

Congratulations to the following students on their marvelous achievement at the recent Secondary School Athletics Carnival:

Under 12 Years Girls: Age Champion Natalie Watson, Runner Up Hannah Tobin
Under 12 Years Boys: Age Champion Nick Goerner, Runner Up Matthew Betts
Under 13 Years Girls: Runner Up Olivia Donoghue
Under 13 Years Boys: Runner Up Jonah Koppers

Congratulations to the following students who are participating in the CIS Cross Country on Thursday 16 June at Eastern Creek Raceway: Ruby Brook, Matthew Betts, Olivia Donoghue, Nick Goerner and Katarina Wong

The second round of vaccinations will be held for Yr 7 students on Monday 20 June. Vaccinations offered at visit 2 are: HPV– Dose 1 and 2 and dTpa (Boostrix).

Best wishes to all of the Yr 7 students who are participating in the Senior Music Festival Let’s Get Loud, which will be held on Friday 17 June (6.30pm) at The Concourse, Chatswood. The essence of this year’s Festival is to represent a colourfull map of music and arts, exploring the synergy that exists between cultures, industries and societies. With an emphasis on the Arts interconnecting with Science, Technology, Engineering and Mathematics, the evening will prove to enlighten and illuminate associations that cross all disciplines of learning. Featuring 150 performers, the Senior Music Festival is a concert of choral and instrumental music, showcasing Secondary School students enrolled in the Redlands Bands, Choral and Strings Programs.

Senior Piano Competition

The Music Department would like to congratulate all finalists who competed in the annual Redlands Senior Piano Competition on Friday evening. All students presented highly polished performances and demonstrated outstanding levels of technical skill and personal expression at the piano. This year the competition was adjudicated by outstanding piano specialist and lecturer, Dr Kirill Monorosi from the Sydney Conservatorium of Music. Dr Monorosi was especially impressed with the excellent standard of piano playing and commended students on their overall musicality and interpretation of repertoire. At the conclusion of the competition students were presented with their awards by the Principal, Dr Peter Lennox. Special thanks to Mr Darren Kuilenburg and Ms Arienne Brodie for their assistance in selecting finalists throughout the auditions and in mentoring these young pianists in order to achieve a high level of performance. Head of Sport

“I hate letting my teammates down. I know I’m not going to make every shot. Sometimes I try to make the right play, and if it results in a loss, I feel awful. I don’t feel awful because I have to answer questions about it. I feel awful in that locker room because I could have done something more to help my teammates win”. – Lebron James

CIS Cross Country

Good luck to all competitors who are racing in the CIS Cross Country Carnival on Thursday. We are looking forward to a great day of competitive races and some amazing results from our Redlands runners.
Congratulations to the Open B Waterpolo team who have qualified for the Semi Finals on Friday evening. Results from the Open Competition last Friday evening: Open B vs Pittwater 11 Loss 9 - 1, Open C vs Pittwater 10 Loss 8 - 1

NSNA – all teams who play in the 10.45am and 11.45am time slots will play two half games this weekend from Round 7 and Round 8. Next week they will play two half games from Round 9 and Round 10. All other teams in the earlier time slots will play two half games this Saturday from Round 8 and Round 9. This is to ensure that all rained out matches are played.

A reminder that this weekend is the last round of ISA Netball for this term (18 June). Please note that NSNA Netball also plays on 25 June which is the first Saturday of the School holidays. It is important that all players are available for this match. If you foresee any issues with your daughter’s attendance on this date please let me know via email by this Friday 17 June.

NSNA determines wet weather cancellations. If there is any wet weather on a Saturday morning please check the front page of the NSNA website and look at the Wet Weather tab on the right hand side for the ways that NSNA notify stakeholders of cancellations. Emails and/or text messages will not be sent to Redlands families to notify you of cancellations for NSNA Netball. Please ensure that you check the website.

Kindness in Our School Community

You may recall this image which I shared with parents in the first Note Day of 2016 after I had asked the question to the students in our first assembly of the year. It is a message I have come back to from time to time with the students and I know that for some, it has been a question that has given them an opportunity for important self-reflection but also action.

Last Friday’s poignant and beautiful celebration of Murray Cunningham’s life was the most significant school community occasion I have been privileged to have been part of in my career of over twenty years. It also reaffirmed the strong community spirit at Redlands and also acknowledged how Murray made a difference in his short life. I have had requests from a number of families who were asking how they might contribute to his fundraising for the orphaned elephant that he sponsored and met in the last school break. The link is here should anyone wish to read about it or support this altruistic thought which has raised a wonderful amount of awareness and money to date.

So how do we develop genuine kindness in our students and community? It’s an interesting thought to ponder and it is certainly a trait that aligns with our School Values and as a starting point, hones in on our own empathy and compassion. Particularly in this last fortnight, I have been aware of a number of acts of kindness towards others in our community. Connection, empathy and passion are like oxygen for humans and regular selfless habits at school or in workplaces only enhance a sense of meaningful connectedness.

This week has seen Australia’s first ever ‘Do Something Day’, a day planned to raise awareness of doing something for someone else in your community that was brought to my attention by a parent, for which I am grateful. Amongst our staff, we have had a ‘Pay it Forward’ culture for some time where random acts of kindness quietly occur as we look after each other and help nurture a community of carers.

As some of you may have noticed, there is a ‘Kindness’ display on the Parkes Building display board which Mrs Maxwell has beautifully created and led by Class 3M, we have been asking students and teachers to pledge to do at least one random act of kindness by the end of term. These pledges have then been pinned to the noticeboard and I was delighted to be able to add my pledge to do something for someone alongside those of many students and teachers. If parents would like to add their support too, do please pick up a pledge and complete it at Reception and we will add them to our display.

Spanish Learning News

Congratulations to all of the students involved in last week’s annual Junior School Piano Competition, which Ms Atkins and Mr Kuilenburg shared was another marvellous exhibition of pianists from Yrs 3–6. With acclaimed pianist and musician, Dr Kirill Monorosi, as the adjudicator, the students performed with great composure and confidence and all of them should be proud of their performances.

Well done to all of the students involved and the overall winner, Helen He (Yr 5), who again showed her mercurial talents on the piano for all present to enjoy.

Library News

Last week, our eager Yrs 5 and 6 students listened with great interest and delight to John Flanagan, author of the ‘Ranger’s Apprentice’ and ‘Brotherband’ series. John outlined his working background in the television and advertising industries and explained his motives behind and the journey of writing the ‘Ranger’s Apprentice’ series. They were originally written for his son, a reluctant reader, and he gave him an instalment each Friday afternoon to proofread. John told the students that he then put these drafts away for ten years until his daughter, television celebrity Kitty Flanagan, convinced him to take them to a publisher. He informed the students that it was not all smooth sailing to become an author and he had to persevere to get his 22 books published. The students kept him busy with many challenging questions and thoroughly enjoyed the engaging and upbeat presentation. Thank you to Alex Gibbs for his introductory welcome speech.
Junior School

Family Plaque

As you are aware, we are developing the facilities on the Senior Campus which will significantly enhance the future learning environment for our Junior School students when they move to Secondary School.

At Redlands, we are very fortunate that past generations have supported the School so current students can enjoy the benefits of wonderful facilities we have on the Junior Campus and in the Science block in the Senior Campus.

If you haven’t done so already, I do encourage you to consider joining other Redlands families and the School leadership to secure your family plaque on the Legacy Board in the foyer of the New Learning Hub. The last date for securing your plaque, which will include your family and child’s/children’s names, is 30 June this year. All donations are tax deductible.

Please visit http://www.redlands.nsw.edu.au/new-learning-hub-appeal/ or contact Dana Casimaty, Director of Development on 9968 9858.

Term 4 Notice of Departure

Required by end of Term 2

As we are approaching the mid-point of the year, this is a reminder that those families who are planning on leaving the School at the end of Term 4 are required to give notice of departure by the end of Term 2 with an email to registrar@redlands.nsw.edu.au.

After School Mandarin Classes

What do Mark Zuckerberg and Prince William have in common? They are both learning Mandarin Chinese! ChiFUNese is one of the most innovative and popular Chinese language programs held at 25+ locations around Sydney. Our students feel happy and inspired to learn because it’s fun and easy! The ChiFUNese difference:

- Fun, multi-sensory learning through interactive games, songs, arts and crafts, stories, role-plays and hands-on activities;
- Clever mnemonics for pronunciation and reading that significantly enhance memory and retention;
- Cultural enrichment through Chinese festival celebrations;
- Multimedia online learning for additional practice at home;
- Feedback and support to parents including student reports;
- Team of professional teachers who are experienced and passionate.

Classes at Redlands are held on Thursdays 3.30-4.30pm. To enrol in the existing class, please go to www.chifunese.com/enrol. For enquiries or to express interest in a new class, please email admin@chifunese.com or call 8006 8208.

Yr 4 Visual Arts Specialist
Silversmith in Residence

This term in Visual Arts, Yr 4 have been working towards creating an artwork in three-dimensions in response to their explorations of bicycles and machines. After creating drawings and collages of various bicycles parts, Yr 4 were set the challenge to use flexible structural wire to realise one of their drawings in three-dimensions. To assist with this project we were fortunate enough to have Bennett Evans’ father, Mr Paul Evans, a goldsmith and silversmith, come in and talk to the classes about his work.

Students were fascinated by the works that Mr Evans has created and the process explored as a goldsmith. Students were given the opportunity to work with the metalsmith tools and some of the jewellery that he has made in the past and gain a real hands-on experience.

We would like to thank Mr Evans for giving his time to Redlands Visual Arts students and also for bringing in a vast array of tools and work samples to give the students an experience of a life time. The students greatly enjoyed working with a specialist goldsmith and have gained new artmaking skills and an exciting look into the artworld.

A Message from the RPFA

On Saturday 10 September our School is hosting the Redlands Classic Spring Fair. This event is eagerly anticipated and well loved by not only our School, but the local community. The success of the Spring Fair is heavily dependent on a high level of volunteer participation by parents from all Year Groups. Please consider volunteering in preparation of the event, on the day itself or by donating materials to support your Year Group stall commitment. Those parents who are captaining stalls are relying on you to volunteer and provide the assistance they need. Your generosity and time will be greatly appreciated. Details can be found in the RPFA section of Note Day and on Redlands Pulse.

Therefore for the two half games which are being played at the 6.10pm and 7.00pm time slots there will be two score sheets issued for each court.
At half time your team will change courts for the next game to be played. Please leave score board with second score sheet in middle of court for the next team to collect.

WINTER BEFORE SCHOOL TRAINING SCHEDULE
Given the very early nature of our before school training sessions, coupled with the shortage of indoor training areas, if you are planning to attend a session scheduled for outdoor venues, please be mindful that these sessions may be forced to be cancelled in wet weather or after heavy overnight rain. We can’t necessarily get this message out in time! SO please use your own discretion and common sense to guide your decision to drop students off at training in wet weather.

The David Sheldrick Wildlife Trust

A number of parents have contacted me expressing their desire to show their support for the Cunninghams at this sad time. As Murray was passionate about the elephants that were being poached in Kenya, his parents asked that in lieu of flowers at last Friday’s service, contributions were made to Murray’s chosen charity - The David Sheldrick Wildlife Trust. I know there were many families who contributed to this when Murray visited Kenya last holidays. This is maybe one way our community can make a positive contribution and continue the work that Murray began.

Term 4 Notice of Departure Required by end of Term 2

As we are approaching the mid-point of the year, this is a reminder that those families who are planning on leaving the School at the end of Term 4 are required to give notice of departure by the end of Term 2 with an email to registrar@redlands.nsw.edu.au.

PREP SCHOOL

Reports

Prep School Reports for Semester 1 2016 are now being finalised. I have enjoyed reading each Prep student’s report and all that they have achieved as well as future goals each child can strive for. These report templates have been rebuilt this semester as part of our report review process, and at this stage, it is expected that all Prep School reports will be available during the first week of the upcoming school holidays.

School reports will be loaded onto Redlands Pulse. We do not send printed copies home. This decision was made in an effort to be more environmentally responsible and to reduce our carbon footprint. Back copies of your son or daughter’s reports are also available via Redlands Pulse. To access the reports parents will need their Redlands Pulse user name and password. Parents requiring assistance re user name or password should email pulse@redlands.nsw.edu.au as soon as possible to avoid any potential frustration.

Movie Screening for Cambodia

A special Redlands session of Finding Dory has been arranged at Cremorne Orpheum at 4.00pm on Friday 24 June (the last day of school). This is a fundraising initiative for Cambodia of the Secondary senior students. Bookings can be made using this link.

Library Borrowing

As the holidays are fast approaching, all library books are due back at the Library on Monday 20 June. Parents may borrow for the holidays. If you are planning to finish the Premier’s Reading Challenge make sure you borrow books that will count towards this, as the beginning of August will be here before we know it once Term 3 starts. If you have finished the reading, but not brought your finished log to the Library, please remember to do so, so that we can ensure that your child’s log has been validated online.

New Learning Hub Senior Campus Update

As most of you are aware of the School is in the process developing the Senior Campus with brand new educational facilities which will enhance the quality of the learning experiences for Redlands students especially those currently in Early Childhood who will have the full benefit of the changes.

I would like to encourage you, in case you have not done so, to join other Redlands families and School leadership to secure your family plaque that is to be placed on the Legacy Board in the foyer of the new development. This appeal is to be finished at the end of June 2016. Please visit http://www.redlands.nsw.edu.au/new-learning-hub-appeal/ or contact Dana Casimaty, Director of Development on 9968 9858.

Children’s Lunch

We ask that to ensure the children’s lunches are kept cold that you unzip the children’s insulated lunchboxes slightly before placing them into the fridge. Thank you.

Allergies

Please be aware that we are an Allergy Friendly Centre (ie. allergy aware) and have a number of children with serious allergies. Therefore, we ask that any food your child brings to Preschool does not contain any products with nuts or traces of nuts. In addition, we ask that if your child has nuts or nut products for breakfast before Preschool, that you ensure their hands are thoroughly washed and teeth brushed before starting their day with us. Thank you for your assistance in helping to keep all our children safe.

Parent Noticeboard

One of our goals at North Harbour this year is to increase the visibility of our families’ voice. To assist us with achieving this goal we would like to create an additional Parent Noticeboard. This will be located just outside the French/Music room and will provide much needed extra space for our families to share information. To help ensure each class is represented on the Noticeboard we would like to ask for a volunteer from each class to be responsible for updating the information on the board each term. This representative can be the Class Parent but in order to share the load it would be great if an additional parent from each class could volunteer to assist the Class Parent. If you would like further information, please contact Mrs Tait.

A Message from the RPFA

On Saturday 10 September our School is hosting the Redlands Classic Spring Fair. This event is eagerly anticipated and well loved by not only our School, but the local community. The success of the Spring Fair is heavily dependent on a high level of volunteer participation by parents from all Year Groups. Please consider volunteering in preparation of the event, on the day itself or by donating materials to support your Year Group stall commitment. Those parents who are captaining stalls are relying on you to volunteer and provide the assistance they need. Your generosity and time will be greatly appreciated. Details can be found in the RPFA section of Note Day and on Redlands Pulse.
